DEMENTIA ACTION WEEK 13th – 19th MAY

Prayer written by Di Holt, a Reader at St Luke's Church, Cannock, whose husband lives with dementia.

God of the heart and of mind, you know us completely, though memory fades your spirit dwells within us. You are present in the glimpses of hope, and with us in the joy and uncertainty of new seasons. In the sadness and the loss your steadfast love enfolds us; your faithfulness endures 'til journey's end where you have prepared a place for us. Give us your peace and help us grow in your likeness every day through the grace of your Son our Saviour, Jesus Christ our Lord. Amen

Prayer written by Ann Shephard, a Deacon in the Methodist Church in Shifnal who lives with dementia.

Lord, as doubt and the perplexity of daily life become even more confusing and uncertain, thank you for being always present and gently guiding and protecting me. Thank you for family and friends who continue to love, support, and encourage me without judgement or disdain. I pray that I may always be aware of your loving, guiding presence in this life and that I will come to meet with you in the next. Amen

Prayer written by a child, contributed by St Paul's School, a Church of England school in Longton, Stoke on Trent. Please help those with dementia, watch over them and keep them safe. Help the people who care for them, giving them peace and patience.
