Day of Prayer

DIOCESE OF LICHFIELD

Wednesday 25th and Thursday 26th October 2023, 12 noon to 12 noon

Throughout the 'Shaping for Mission' initiative, deaneries have played a central role in rethinking and reshaping our mission as a diocese, so will again be central to our praying together. We hope this will give as many as possible across the diocese opportunity to discover more about our very varied deaneries and to join in praying for our shared mission in these different contexts. Other groups and departments will be contributing, as well as friends from our companion and link dioceses. Click here to see the timetable on the Day of Prayer webpage.

Bishop Matthew will be leading the opening session at 12 noon on Wednesday and Bishop Jonathan the closing session at 12 noon on Thursday. Everyone is very welcome to join any of the sessions throughout the 24 hours for however long or short a time you are able. As usual, most sessions will take place in the diocese's virtual prayer room via Zoom, click here to join.
